AMSTERDAM — Last night, hundreds of innovative designers, jury members, customer clients and differing brands from around the world gathered in Amsterdam to celebrate the world's leading spatial designers during our Frame Awards 2020 ceremony. During this year's festivities, nominees and speakers alike thrilled, surprised, and challenged – but most importantly, have continued to inspire us to celebrate design. Congratulations to all contestants!

Here is the full list of the winners of the Jury and People's Choice Awards.
