Squire & Partners – The Department Store Studios, London

Mixology22 Project of the Year Finalist: Positive Impact

The Department Store Studios is a new local workspace next door to Squire & Partner's award-winning offices in Brixton.

The new development creates a platform for growing businesses with flexible workspaces – from individual desks to private studios – and a host of serviced social and meeting areas. The Studios is also home to a neighbourhood bar, restaurant and screening room.

Created as a natural addition to The Department Store, The Studios is a highly sustainable development that supports local businesses by offering a Residency scheme for young entrepreneurs and a programme of events curated to share skills, inspire creativity and expand local networks.
